Proceeds of this verse-a-thon will go to support our church sponsored missionaries. This year has been dedicated to support Ruth Howard, who is heading to Uganda. The goal is for kids to learn more of God's Word while raising money for our missionaries. The students have been given a specific list of 129 verses to memorize from. This verse-a-thon is in conjunction with Vacation Bible School. You will be advised of the students total number of verses learned. Flat one time pledges are also welcome. Thank you very much for your support and consideration.
